ANTI RAGGING CELL

Ragging is a heinous crime and a criminal offence as declared by the Supreme Court of India **Sardar Patel College of Pharmacy; Gorakhpur** has been successful in creating a ragging – free campus.

Our College believes in fostering a harmonious relationship amongst its students and strictly condemns ragging. We have an anti – ragging cell which comprises of the Principal, faculty and other staff members. The students are sensitized on the ill effects of ragging and the legal proceedings in curbing the practice. Awareness is created via orientation programmes in the first semester as well as before the commencement of each academic year. We ensure that students learn to respect and accept peers beyond their cultural and regional differences.

A campus level **Anti Ragging Cell 2020-21** has been constituted with effect from **27th August 2020** with the following members:
